

Southend Borough Council have allocated funding for Southend care providers to help to support them with their staff training and development. The funding which is only available up until 31st March 2010 is for organisations who provide care to adults and older people living in Southend. The funding can be used to help with NVQs in Care, Food Hygiene, First Aid and Manual Handling training. Please contact Maxine at Essex Care Training Partnership now for more information. Tel: 0845 4300 678 (option 3) or email ectp@eica.org.uk
